

depend from claim 41. With these amendments, the expressions referred to by the Examiner now find antecedent basis in the parent claims.

The allowance of claims 30 to 33, 35 to 45, 47 and 48 is gratefully acknowledged. With the amendments made to claims 34 and 46, these claims should now also be allowable since these claims were indicated to be allowable apart from the problem discussed above.

Allowance of the application in its present form is respectfully solicited.

Respectfully submitted,
